

---

**O'Neil Fuller, Director of Training (HVAC) & Refrigeration Technologies Lead Instructor (Since 2019)** – O'Neil earned an Associate of Applied Science Degree in Air Conditioning Technology and an Associate of Applied Science Degree in Commercial Refrigeration, both from Georgia Piedmont Technical College. O'Neil has been an HVAC instructor for eight years and has over 20 years of practical work experience in the field and is a NATE, ICE and EPA Certified Technician.

**Douglas Watkins, Professional Welder Senior Lead Instructor & Program Chair (Since 2018)** – Douglas has over 5 years of practical work experience as a combo and rig welder.

**Joshua Berry, Professional Welder Instructor (Since 2023)** – Joshua earned a Certificate in Welding Technology from North Idaho College and has over 16 years of experience in welding and quality control.

**Robert Bressler, Professional Welder Instructor (Since 2023)** – Robert has over 6 years of experience in the welding industry and an additional seven years as a Welding Instructor.

**Justin Buller, Professional Welder Instructor (Since 2017)** – Justin attended Lee College in Baytown, TX where he completed 28 Semester Credit Hours in Welding Technology and has over 8 years of practical work experience as a combo welder.

**Rodney Burton, Jr., Professional Welder Senior Instructor (Since 2020)** – Rodney has over 7 years of practical work experience as a welder and pipefitter, pipe foreman, welding foreman, pipe general foreman & welding QA/QC.

**Jereme Buster, Professional Welder Instructor (Since 2023)** – Jereme earned a diploma in Welding Specialist with Pipefitting from Tulsa Welding School & Technology Center and has over 7 years of experience in the welding industry.

**Gerald Cameron, Electrical Instructor (Since 2022)** – Gerald completed a three-year Electrical Apprenticeship Program and is a certified and a licensed Electrician with over 15 years of practical work experience as an electrician.

**Robert Carpenter, Electrical Instructor (Since 2023)** – Robert has over 14 years of experience in the electrical industry as an electrician.

**Donald Carson, Professional Welder Instructor (Since 2018)** – Donald has over 25 years of practical work experience as a welder using hot wire TIG and hand Heliarc/Tig Welding processes.

**Ricardo Castillo, Jr., Electrical Instructor (Since 2022)** – Ricardo has over 12 years of experience in the electrical industry and three years of experience as an Electrical Instructor.

**Andres Castillo, Professional Welder Instructor (Since 2023)** – Andres has over 5 years of experience in the welding industry and over three years of experience as a Welding Instructor.

**Ballentine Ceballos, Professional Welder Instructor (Since 2018)** – Ballentine has over 20 years of practical work experience as a welder using the MIG and TIG processes.

**Jeremy Coulon, Professional Welder Instructor (Since 2022)** – Jeremy has over 10 years of practical work experience as a welder/fabricator using SMAW, and TIG welding processes.

**Monte Cunningham, EMT & RT Instructor (Since 2022)** – Monte has over 9 years of practical work experience as a HVAC technician.

---

Mary Kelly, President & CEO

**Mark Escamilla, Professional Welder Instructor (Since 2018)** – Mark has a certificate in Welding Technology from Costal Bend College in Beeville, TX. Additionally, he has over 28 years work experience using GTAW, SMAW, GMAW and FCAW Welding Processes as well as extensive pipefitting experience.

**Carl Frank, EMT & RT Instructor (Since 2022)** – Carl has a certificate for completion of the Refrigerant Transition & Recovery Technician Program from Universal Technical Institute and has 19 years of practical work experience as an HVAC technician.

**Bradley Henley, Welding Specialist with Pipefitting Instructor (Since 2019)** – Bradley has over 20 years work experience as a pipe welder using GTAW, SMAW, and GMAW processes.

**Timothy Holloway, Professional Welder Instructor (Since 2022)** – Timothy has 16 years practical work experience as a combination welder.

**Rudy Huerta, Professional Welder Instructor (Since 2021)** – Rudy has over 10 years practical work experience as a welder using the FCAW, SAW, MIG, TIG, Flux Core and MIG processes.

**Monica Landry, Refrigeration Technologies Instructor (Since 2023)** – Monica earned a Certificate of Completion in HVAC Mechanic from Houston Community College and has 24 years of experience in the industry with an additional 9+ years as an HVAC Instructor.

**Greg Langdon, Professional Welder Instructor (Since 2019)** – Greg has over 30 years of practical work experience as a combo pipe welder utilizing all welding processes. Additionally, he has been a welding instructor for over 10 years.

**Domonic Lerma, Professional Welder Instructor (Since 2020)** – Dominic is a graduate of the Welding Specialist Program at Tulsa Welding School & Technology Center. Additionally, he has over 6 years of documented practical work experience in welding utilizing SMAW, GMAW and TIG processes.

**Xeves McCreary, Electrical Instructor (Since 2023)** – Xeves earned Level II Certified Infrared Thermographer from Infrared Training Center and has over 10 years of experience in the industry.

**Kevin Meza, Professional Welder Instructor (Since 2022)** – Kevin has over 5 years of experience in the welding industry.

**Bryan Miller, Electrical Instructor (Since 2023)** – Bryan has over 20 years of experience in the electrical industry as an electrician and business owner with an additional year of experience as an Electrical Instructor.

**Joshua Monclova, Professional Welder Instructor (Since 2020)** – Joshua is a graduate of the Welding Specialist program at Tulsa Welding School & Technology Center (Houston, TX). Additionally, he has over 10 years of practical work experience as a rig welder utilizing the MIG/Flux and Stick processes.

**Jeffrey Pasket, Welding Specialist with Pipefitting Senior Instructor (Since 2015)** – Jeffrey holds a Welding Technology Certificate from Texas State College, Waco, TX. Additionally, he has over 9 years of welding, fitting and installation experience.

**Jonathan Payne, Professional Welder Instructor (Since 2020)** – Jonathan has certificates in Welding Technology from Lee's College, Baytown, Texas. Additionally, he has over 6 years documents practical welding experience.

**Jorge Quinteros, Professional Welder Instructor (Since 2016)** – Jorge has over 9 years of practical work experience as a combo welder with emphasis on TIG welding. He has a TIG Welding Certificate from Lone Star College in Texas.

**Alan Saldana, Professional Welder Instructor (Since 2019)** – Alan has over 7 years of structural and pipe welding experience utilizing SMAW, FCAW AND GMAW welding processes.

**Akeem Scott, Professional Welder Instructor (Since 2021)** – Mr. Scott has 10 years practical work experience using the GTAW, SMAW and STT Welding processes.

Mary Kelly, President & CEO

**Mark Simmons, Professional Welder Instructor (Since 2020)** – Mark has over 10 years of documented practical work experience as a Combo Welder using TIG and STICK processes.

**Raymond Sullivan, Sr., Electrical Instructor (Since 2023)** – Raymond earned a Master of Science Degree in Public Administration and has over 13 years of experience in the industry.

**Daniel Trevino, Professional Welder Instructor (Since 2020)** – Daniel has completed extensive welding testing through AWS. Additionally, he has over 16 years of practical work experience in welding using GTAW, SMAW, GMAW and FCAW processes.

**Carlos Villarreal, RT & EMT Instructor (Since 2020)** – Carlos has a Certificate in Air Conditioning Technology from San Jacinto Community College in Pasadena, TX and over 7 years of practical work experience as an HVAC technician.

**Wesley Warr, Professional Welder Instructor (Since 2017)** – Wesley studied Welding Technology at Panola Junior College in Carthage, TX and has over 30 years welding experience as a welder, pipe welder, structural fitter, Foreman/Lead Man and Crew Leader.

**Megan Webster, Welding Specialist with Pipefitting Instructor (Since 2016)** – Megan is NCCER Level 4 certified, with over 5 years of experience working as a pipefitter. Megan is proficient in threaded, socket, and butt weld pipe fabrications (above ground and underground).

**Brian Wood, Welding Specialist with Pipefitting Instructor (Since 2021)** – Brian is a pipe welder with over 10 years of practical work experience utilizing GRAW, SMAW, GMAW AND FCAW welding process.
