

## Heating, Cooling & Electrical Scholarship Program

The Heating, Cooling & Electrical Scholarship Program is a need-based scholarship program that is designed to provide tuition assistance to eligible students with demonstrated financial need based upon their difference between available resources and funding eligibility relative to their educational costs. The criterion outlined below has been designed to give the Scholarship Awarding Committee maximum flexibility in awarding the scholarship. Recipients will be selected without regard to race, sex, color, creed, religious preference, age, national origin, or disability.

### **Eligibility Criteria:**

To be awarded the scholarship, students must:

- enroll in the Refrigeration Technologies, Electrical Applications/Technologies, or Electro-Mechanical Technologies program at StrataTech Education Group school (TWS/RSI) after 4/21/2025, with an expected start date in May 2025, with a remaining enrollment time to complete new program of at least 5 months (20 weeks).
- be a U.S. citizen or permanent resident;
- apply for all applicable state, agency, and/or federal student aid;
- demonstrate financial need as determined by the financial aid application process;
- complete a Scholarship Request Form;
- provide a brief essay that summarizes the following: a) your educational objectives; b) why becoming an HVAC/Electrical worker is an important part of your career goals; and c) how this scholarship will help you reach your goals; and
- have no lapses in proper registration or break in attendance.

### **Awarding Process and Rules**

- Students who enroll in the Refrigeration Technologies, Electrical Applications/Technologies, or Electro-Mechanical Technologies program at StrataTech Education Group school (TWS/RSI) after 4/21/2025, with an expected start date in May 2025, with a remaining enrollment time to complete new program of at least 5 months (20 weeks).
- Students must apply for and accept all available agency, state, and/or federal student aid before requesting consideration for this scholarship program.
- Each student must complete a Scholarship Request Form and write a brief essay stating their educational objectives, career goals, and how this scholarship will help them reach their goals.
- Scholarships are based on demonstrated need as identified through the financial aid application process.
- Only one award will be given per student.
- Scholarships will be applied to a student's account throughout the entire 1<sup>st</sup> AY of their program and will not exceed \$2,000.
- Scholarships are based on the enrolled student's start date. If a student changes their start date or shift, the scholarship award may be forfeited. Scholarships are not transferable or renewable.
- Scholarship eligibility requires continuous enrollment. Termination from training may result in the loss of this scholarship.

### Our Policy

Any student meeting the scholarship criteria may apply. Only one scholarship may be awarded per student. This scholarship is not transferable. It will be applied to a student's account over the entire 1<sup>st</sup> Academic Year of the student's program. The award is based on demonstrated financial need and cannot be used in conjunction with any other Institutional Scholarship.

Students must complete this request form and submit it with their essay to the Scholarship Selection Committee to be considered. Of the requests received, each will be reviewed for completeness and accuracy of all information provided. Of those eligible requests, the awards will be distributed on a first-come, first-served basis.

This scholarship program is based on the enrolled student's start date. There are a limited number of scholarships to be awarded. Only one scholarship may be awarded per student. If a student changes his start date or shift, his/her scholarship award may be forfeited. The scholarship amount will not exceed \$2,000.
