

Heating & Cooling Scholarship Program

The Heating & Cooling Scholarship Program is a need-based scholarship program that is designed to provide tuition assistance to eligible students with demonstrated financial need based upon their difference between available resources and funding eligibility relative to their educational costs. The criterion outlined below has been designed to give the Scholarship Awarding Committee maximum flexibility in awarding the scholarship. Recipients will be selected without regard to race, sex, color, creed, religious preference, age, national origin, or disability.

Eligibility Criteria:

To be awarded the scholarship, students must:

- enroll in the Refrigeration Technologies (RT), Electrical Applications (EA) or Electro-Mechanical Technologies (EMT) program at the Tulsa Campus after July 30, 2024, with an expected start date in August 2024;
- be a U.S. citizen or permanent resident;
- apply for all applicable state, agency, and/or federal student aid;
- demonstrate financial need as determined by the financial aid application process;
- provide a brief essay that summarizes the following: a) your educational objectives; b) why becoming an HVAC/Electrical technician is an important part of your career goals; and c) how this scholarship will help you reach your goals; and
- have no lapse in proper registration or break in attendance.

Awarding Process and Rules

- Students who enroll in the Refrigeration Technologies (RT), Electrical Applications (EA), or Electro-Mechanical Technologies (EMT) program at the Tulsa Campus after July 30, 2024, with an expected start date in August 2024 are eligible to apply.
- Students must apply for and accept all available agency, state, and/or federal student aid before requesting consideration for this scholarship program.
- Each student must complete a Scholarship Request Form and write a brief essay stating their educational objectives, career goals, and how this scholarship will help them reach their goals.
- Only one award will be given per student and cannot be used in conjunction with any other institutional scholarship.
- Scholarships will be applied to the student's account throughout the entire duration of their program and will not exceed \$3,000.
- Scholarships are based on the enrolled student's start date. If a student changes their start date or shift, the scholarship award may be forfeited. Scholarships are not transferable or renewable and cannot be used in conjunction with any other institutional scholarship.
- Scholarship eligibility requires continuous enrollment. Termination from training may result in the loss of this scholarship.

**All Scholarship Amounts are calculated based on Demonstrated Need and determined by established guidelines. Please contact your Student Financial Services Advisor to discuss options. StrataTech Education Group reserves the right to cancel a scholarship program at any time. However, all scholarships that have been awarded will be honored provided the student continues to meet eligibility.*

Our Policy

Any student meeting the scholarship criteria may apply. Only one scholarship may be awarded per student. This scholarship is not transferrable. It will be applied to the student's account over the entire duration of the student's program. The award is based on demonstrated financial need and cannot be used in conjunction with any other institutional scholarship.

Students must complete this request form and submit it with their essay to the Scholarship Selection Committee to be considered. Of the requests received, each will be reviewed for completeness and accuracy of all information provided. Of those eligible requests, the awards will be distributed on a first-come, first-served basis.

This scholarship program is based on the enrolled student's start date. There are a limited number of scholarships to be awarded. Only one scholarship may be awarded per student. If a student changes their start date or shift, this scholarship award may be forfeited. The scholarship amount will not exceed \$3,000.
