

Albert Acosta, Senior Welding Specialist Instructor (Since 2015) – He has over 18 years of experience as a welder working with MIG, TIG, Stick and Flux Core on any metal.

Justin Buller, Welding Specialist Instructor (Since 2017) – He attended Lee College in Baytown, TX where he completed 28 Semester Credit Hours in Welding Technology, He has over 8 years of practical work experience as a combo welder.

Jarmere Burnette, Junior Welding Specialist Instructor (Since 2019) – Mr. Burnette received a Combo Welding Certificate from Industrial Welding Academy in Houston TX. Additionally, he has over 8 years practical work experience as a combo welder.

Rodney Burton, Jr., Welding Specialist Instructor (Since 2020) – Mr. Burton has over 7 years of practical work experience as welder and pipefitter, pipe foreman, welding foreman, pipe general foreman & welding QA/QC.

Carlos Bustos, Welding Specialist Instructor (Since 2017) – Mr. Bustos received a Welding Certificate for San Jacinto College, Pasadena, TX. Additionally, he has over 5 years practical work experience as a welder using FCAW, SMAW and GTAW processes.

Manuel Capetillo, Jr., Welding Specialist Instructor (Since 2020) – Mr. Capetillo graduated from Tulsa Welding School & Technology Center with a 4.0 GPA. Additionally, he has over 25 years of practical work experience as a welder utilizing GTAW, SMAW, GMAW and FCAW welding processes.

Ballentine Ceballos, Welding Specialist Instructor (2018) – Mr. Ceballos has over twenty years of practical work experience as a welder using the MIG and TIG processes.

Natalio Cortez, Lead Welding Specialist Instructor (2018) – Mr. Cortez has an AAS degree in Welding Technology. Additionally, he has over five years welding experience using MIG and TIG processes. He served 12 years in the United States Marine Corp where he was an instructor.

Steven Cotham, Welding Specialist Instructor (Since 2020) – Mr. Cotham has over 30 years practical work experience as a Welder/Fabricator using SMAW and GTAW processes

Jeremy Coulon, Welding Specialist Instructor (2019) – Mr. Coulon is a certified combination pipe welder with over nine years of practical work experience primarily using GTAW and GMAW processes.

Luis DeLos Santos, Lead Welding Specialist Instructor (Since 2017) – He received a Certificate from Industrial Welding Academy and over 8 years in the welding field using various processes, including GTAW, SMAW, and GMAW.

Mark Escamilla, Welding Specialist Instructor (Since 2018) – Mr. Escamilla has a certificate in Welding Technology from Costal Bend College in Beeville, TX. Additionally, he has over 28 years work experience using GTAW, SMAW, GMAW and FCAW Welding Processes as well as extensive pipefitting experience.

O'Neil Fuller, Lead Refrigeration Technologies Instructor (Since 2019) - He has an Associate Degree in Commercial Refrigeration and HVAC from West Georgia Technical College. Additionally, he has been an HVAC instructor for eight years and has over 20 years of practical work experience in the field. He is a NATE, ICE and EPA Certified Technician.

Cole Gruber, Senior Welding Specialist Instructor (Since 2015) – He has an AOS degree in Welding from Tulsa Welding School, Tulsa, OK. He also holds a Master Welder Diploma from that same institution. He has over 10 years hands on experience as a professional welder.

Bradley Henley – Welding Specialist with Pipefitting Instructor (Since 2019) – Mr. Henley has over twenty years work experience as a pipe welder using GTAW, SMAW, and GMAW processes.

Derek Jack , Lead Welding Specialist Instructor (Since 2016) – Mr. Jack is a Certified Welder with over seven years of practical work experience in FCAW, SMAW & GMAW weld processes.

Greg Langdon, Welding Specialist Instructor (Since 2019) – Mr. Langdon has over thirty years of practical work experience as a combo pipe welder utilizing all welding processes. Additionally, he has been a welding instructor for over ten years.

James Macik, Welding Specialist Instructor (Since 2020) – Mr. Macik is a returning TWST Welding Specialist with Pipefitting instructor. Additionally, he has over 10 years of practical work experience and a fitter welder utilizing all processes.

Jeffrey Pasket, Senior Welding Specialist with Pipefitting Instructor (Since 2015) – He holds a Welding Technology Certificate from Texas State College, Waco, TX. Additionally, he has over 9 years of welding, fitting and installation experience.

SirPatrick Phillips, Welding Specialist Instructor (Since 2018) – Mr. Phillips is a graduate of Blinn College where he studied Welding Technology. He has over 11 years of practical work experience in welding using MIG, Flux Core and GMAW processes.

Bernabe Polanco, Jr., Welding Specialist Instructor (2019) – Mr. Polanco is a graduate of Tulsa Welding School, Tulsa OK and has a Welding Certificate from south Texas College in McAllen, TX. Additionally, he has over five years work experience in welding using GTAW, SMAW, GMAW AND FCAW welding processes.

Jorge Quinteros, Welding Specialist Instructor (Since 2016) – He has over nine years of practical work experience as a combo welder with emphasis on TIG welding. He has a TIG Welding Certificate from Lone Star College in Texas.

Johnie Robinson, Jr., Welding Specialist Instructor (Since 2018) – Mr. Robinson is a certified welder and has over 6 years' experience in welding pipe utilizing Stick and TIG processes.

Alan Saldana, Welding Specialist Instructor (Since 2019) – Mr. Saldana has over seven years of structural and pipe welding experience utilizing SMAW, FCAW AND GMAW welding processes.

Marie Tate, Welding Specialist Instructor (Since 2017) – She has over seven years of practical work experience in welding using various processes, including SMAW, GTAW, and FCAW.

Daniel Trevino, Welding Specialist Instructor (Since 2020) – Mr. Trevino has completed extensive welding testing through AWS. Additionally, he has over 16 years of practical work experience in welding using GTAW, SMAW, GMAW and FCAW processes.

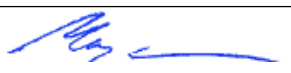

Carlos Villarreal, HVAC Instructor (Since 2020) – Mr. Villarreal has a Certificate in Air Conditioning Technology from San Jacinto Community College in Pasadena, TX. Additionally, he as over seven years practical work experience as a HVAC technician.

Wesley Warr, Welding Specialist Instructor (Since 2017) – He attended Panola Junior College in Carthage, TX where he studied Welding Technology. He has over 30 years welding experience as a welder, pipe welder, structural fitter, Foreman/Lead Man and Crew Leader.

Douglas Watkins, Welding Specialist Instructor (Since 2018) – Mr. Watkins has over five years of practical work experience as a combo and rig welder.

Megan Webster, Welding Specialist with Pipefitting Instructor (Since 2016) – NCCER Level 4, with over 5 years' experience working as a pipefitter. She is proficient in threaded, socket, and butt weld pipe fabrications (above ground and underground).

The information contained in this Faculty Addendum is true and correct to the best of my knowledge.
