

O'Neal Fuller, CMHE – Director of Training (HVAC) (Since 2019) - Lead Instructor Refrigeration Technologies (Since 2019) - He has an Associate Degree in Commercial Refrigeration and HVAC from West Georgia Technical College. Additionally, he has been an HVAC instructor for eight years and has over 20 years of practical work experience in the field. He is a NATE, ICE and EPA Certified Technician.

Doug Watkins, Program Chair – Welding (Since 2018) – Mr. Watkins has over five years of practical work experience as a combo and rig welder.

Eduardo Alfaro, Junior Welding Instructor of Course #110 Structural Welding (Since 2020) – Eduardo was a graduate of the Welding Specialist Program at Tulsa Welding School and Technology Center and has over 6 years of practical welding experience using the Fluxcore process.

Daniel Andrade, Jr. – Junior Welding Instructor of Course #110 GMAW/FCAW Processes – Daniel has a Welding Certificate in SMAW & STAW from San Jacinto College, Houston TX with over 7 years practical welding experience.

Justin Buller, Instructor Professional Welder Program (Since 2017) – He attended Lee College in Baytown, TX where he completed 28 Semester Credit Hours in Welding Technology, He has over 8 years of practical work experience as a combo welder.

Rodney Burton, Jr., Instructor Professional Welder Program (Since 2020) – Mr. Burton has over 7 years of practical work experience as a welder and pipefitter, pipe foreman, welding foreman, pipe general foreman & welding QA/QC.

Gerald Cameron, Electrical Instructor (Since 2022) – Mr. Cameron completed an three year Electrical Apprenticeship Program and is a certified and a licensed Electrician. Additionally, he has over 15 years of practical work experience as an electrician.

Donald Carson, Instructor Professional Welder Program (Since 2018) – Mr. Carson has over 25 years of practical work experience as a welder using hot wire TIG and hand Heliarc/Tig Welding processes.

Manuel Capetillo, Jr., Instructor Professional Welder Program (Since 2020) – Mr. Capetillo graduated from Tulsa Welding School & Technology Center with a 4.0 GPA. Additionally, he has over 25 years of practical work experience as a welder utilizing GTAW, SMAW, GMAW and FCAW welding processes.

Ballentine Ceballos, Instructor Professional Welder Program (Since 2018) – Mr. Ceballos has over twenty years of practical work experience as a welder using the MIG and TIG processes.

Zachery Commander, HVAC Instructor (Since 2022) – Mr. has a diploma in HVAC Technology from Altierus Career College. Additionally, he has over 7 years of practical work experience as a HVAC Technician.

Coulon, Jeremy, Instructor Professional Welder Program (Since 2022) – Mr. Coulon has over ten years of practical work experience as a welder/fabricator using SMAW, and TIG welding processes.

Monte Cunningham, HVAC Instructor (Since 2022) – Mr. Cunningham has over 9 years of practical work experience as a HVAC technician.

Mark Escamilla, Instructor Professional Welder Program (Since 2018) – Mr. Escamilla has a certificate in Welding Technology from Costal Bend College in Beeville, TX. Additionally, he has over 28 years work experience using GTAW, SMAW, GMAW and FCAW Welding Processes as well as extensive pipefitting experience.

Carl Frank, HVAC Instructor (Since 2022) – Mr. Frank has a certificate from Universal Technical Institute – Refrigerant Transition & Recovery Technician Program – Additionally, he has 19 years practical work experience as a HVAC technician

Cole Gruber, Senior Instructor Professional Welder Program (Since 2015) – He has an AOS degree in Welding from Tulsa Welding School, Tulsa, OK. He also holds a Master Welder Diploma from that same institution. He has over 10 years hands on experience as a professional welder.

Bradley Henley – Instructor Professional Welder Program with Pipefitting (Since 2019) – Mr. Henley has over twenty years work experience as a pipe welder using GTAW, SMAW, and GMAW processes.

Timothy Holloway, Instructor Professional Welder Program (Since 2022) – Mr. Holloway has 16 years practical work experience as a combination welder.

Aaron Hylier – Instructor Professional Welder Program (Since 2021) – Mr. Hylier is a graduate of the Master Welder Program at TWS, Jacksonville Campus. Additionally, he has over four years of practical work experience in the welding industry utilizing the SMAW, TIG, GTW GMAW FCAW and MIG welding processes.

Rudy Huerta, Instructor Professional Welder (Since 2021) – Mr. Huerta has over 10 years practical work experience as a welder using the FCAW, SAW, MIG, TIG, Flux Core and MIG processes.

Derek Jack, Lead Instructor Professional Welder Program (Since 2016) – Mr. Jack is a Certified Welder with over seven years of practical work experience in FCAW, SMAW & GMAW weld processes.

Greg Langdon, Instructor Professional Welder Program (Since 2019) – Mr. Langdon has over thirty years of practical work experience as a combo pipe welder utilizing all welding processes. Additionally, he has been a welding instructor for over ten years.

Domonic Lerma, Instructor Professional Welder Program (Since 2020) – Dominic is a graduate of the Welding Specialist Program at Tulsa Welding School & Technology Center. Additionally, he has over 6 years of documented practical work experience in welding utilizing SMAW, GMAW and TIG processes.

James Macik, Instructor Professional Welder Program with Pipefitting (Since 2020) – Mr. Macik is a returning TWST Welding Specialist with Pipefitting instructor. Additionally, he has over 10 years of practical work experience and a fitter welder utilizing all processes.

Joshua Monclova, Instructor Professional Welder Program (Since 2020) – Joshua is a graduate of the Welding Specialist program at Tulsa Welding School & Technology Center (Houston, TX). Additionally, he has over 10 years of practical work experience as a rig welder utilizing the MIG/Flux and Stick processes.

Jeffrey Pasket, Senior Instructor Professional Welder Program with Pipefitting (Since 2015) – He holds a Welding Technology Certificate from Texas State College, Waco, TX. Additionally, he has over 9 years of welding, fitting and installation experience.

Jonathan Payne, Instructor Professional Welder Program (Since 2020) – Mr. Payne has certificates in Welding Technology from Lee's College, Baytown, Texas. Additionally, he has over 6 years documents practical welding experience.

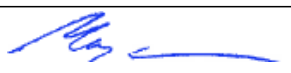

Jorge Quinteros, Instructor Professional Welder Program (Since 2016) – He has over nine years of practical work experience as a combo welder with emphasis on TIG welding. He has a TIG Welding Certificate from Lone Star College in Texas.

Alan Saldana, Instructor Professional Welder Program (Since 2019) – Mr. Saldana has over seven years of structural and pipe welding experience utilizing SMAW, FCAW AND GMAW welding processes.

Akeem Scott, Instructor Professional Welder Program (Since 2021) – Mr. Scott has 10 years practical work experience using the GTAW, SMAW and STT Welding processes.

Mark Simons, Instructor Professional Welder Program (Since 2020) – Mr. Simons has over 10 years of documented practical work experience as a Combo Welder using TIG and STICK processes.

The information contained in this Faculty Addendum is true and correct to the best of my knowledge.

Mary Kelly, President & CEO

Daniel Trevino, Instructor Professional Welder Program (Since 2020) – Mr. Trevino has completed extensive welding testing through AWS. Additionally, he has over 16 years of practical work experience in welding using GTAW, SMAW, GMAW and FCAW processes.

Rosa Villarreal, Lead Instructor Professional Welder Program (Since 2020) – Rosa is a graduate of the Professional Welder Program at Tulsa Welding School in Tulsa, OK. Additionally, she has over 5 years of practical work experience as a mild carbon steel fabricator, aluminum welding lead and MIG & TIG Welder

Carlos Villarreal, Refrigeration Technologies Instructor (Since 2020) – Mr. Villarreal has a Certificate in Air Conditioning Technology from San Jacinto Community College in Pasadena, TX. Additionally, he has over seven years practical work experience as a HVAC technician.

Wesley Warr, Instructor Professional Welder Program (Since 2017) – He attended Panola Junior College in Carthage, TX where he studied Welding Technology. He has over 30 years welding experience as a welder, pipe welder, structural fitter, Foreman/Lead Man and Crew Leader.

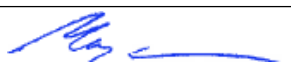

Douglas Watkins, Instructor Professional Welder Program (Since 2018) – Mr. Watkins has over five years of practical work experience as a combo and rig welder.

Megan Webster, Instructor Professional Welder Program with Pipefitting (Since 2016) – NCCER Level 4, with over 5 years' experience working as a pipefitter. She is proficient in threaded, socket, and butt weld pipe fabrications (above ground and underground).

Brian Wood, Instructor Professional Welder Pipefitting Courses (Since 2021) – Mr. Wood is a pipe welder with over 10 years of practical work experience utilizing GRAW, SMAW, GMAW AND FCAW welding process.

Robert Zambrano, Instructor Professional Welder Program (Since 2020) – Mr. Zambrano is a graduate of TWS & Technology Center. Additionally, he is a pipe welder with over 10 years of practical work experience utilizing GRAW, SMAW, GMAW AND FCAW welding process.
