
Abernathy, Patrick (Refrigeration Technologies Instructor since 5/5/2025) - Patrick has over 15 years of practical work experience as a HVAC technician and a successful HVAC business owner of 6 years.

Allen, Timothy (Welding Specialist Instructor since 4/5/2024) - Timothy attended the Welding Program at Vocational Trapper Creek Job Core and has over 8 years of practical work experience in the welding industry.

Armstrong, Mark (Refrigeration Technologies Instructor since 5/6/2025) - Mark earned an Electrical and Advanced Electrical Certificate from APEX Technical School and has over 7 years of experience in the electrical industry.

Baker, Daniel (Welding Specialist Instructor since 9/9/2024) - Daniel attended Arizona Automotive Institute and earned a Diploma in Combination Welding, is NCCER certified in the following procedures SMAW 3G, 4G, and 6G with/without backing, and has 10 years of experience in the welding industry.

Braden, Matthew (Welding Specialist Instructor since 4/29/2024) - Matthew earned a Certificate in Welding from Amarillo College in Texas and has over 7 years practical work experience.

Brauss, Jennifer (Electrical Applications Instructor since 9/16/2024) - Jennifer earned a Masters Degree in Management from University of Phoenix and has several years of experience teaching.

Buck, Michael (Refrigeration Technologies Instructor since 2/2/2026) - Michael is a graduate of HVAC Technical Institute with over 4 years of experience in the HVAC industry.

Buck, Michael (Refrigeration Technologies Instructor since 1/12/2026) - Michael graduated from HVAC Technical Institute in Chicago, IL program with a Certificate as an HVAC Technician and has 4 years of practical experience in Refrigeration Technology.

Buruato, Aaron (Electrical Applications Instructor since 2/3/2025) - Aaron has over 10 years of experience in the electrical industry.

Bustamante, Hector (Professional Welder Instructor since 9/29/2025) - Hector attended the Kentucky Welding Institute and has over 5 years of experience in the welding industry.

Caldwell, Guy (Refrigeration Technologies Instructor since 9/3/2011) - Guy has an EPA license type I,II,III and has over 7 years of experience in the HVAC industry.

Calendine, Michel (AOSMME Instructor since 4/25/2025) - Michel has a Ph.D. in X, Bachelor of Science in Business Administration Degree and a Master of Arts Degree.

Ceaser, Rodney (Refrigeration Technologies Instructor since 11/6/2023) - Rodney received a Certificate in HVAC from Vocational Training Institute and has 5 years of experience in the HVAC industry.

Charbonneau, Donald (Electrical Applications Instructor since 6/26/2023) - Mr. Charbonneau has a BS degree in Business Administration from Columbia Southern University (H.R. Management) and is a graduate of The Refrigeration School. Additionally, he has over 15 years' practical work experience in the field.

Clements, James (Electrical Applications Instructor since 6/23/2025) - James is a highly skilled Electrician with twenty five plus years practical work experience as an Electrician, he obtained a Journeyman Electrician Certificate.

Collier, Barry (Electrical Applications Instructor since 3/10/2025) - Barry obtained an Associate of Applied Science degree from Oklahoma State University Technical branch, and has over 5 years of experience as an electrician.

Dahlen, Sterling (Welding Specialist Instructor since 9/18/2023) - Sterling obtained a Combination Welding certificate from Arizona Automotive Institute and has over 5 years of experience in the welding industry.

Diaz, Dwayne (Welding Specialist Instructor since 7/22/2024) - Dwayne has an Associates degree in Welding from Baton Rouge Community College and has 5 years of experience in the welding industry.

Elizalde, Monette (AOSMME Instructor since 10/17/2022) - Monette received a Ph.D. in Mathematics from the University of the Incarnate Word in San Antonio, TX, and has over 10 years of teaching experience.

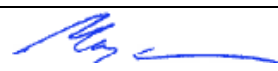

Everhart, Robert (Refrigeration Technologies Instructor since 9/16/2024) - Robert received a technical certificate in Automotive Service from Ivy Tech Community college and has over 5 years of experience in the HVAC industry.

Ewing, Patrick (Refrigeration Technologies Instructor since 1/7/2026) - Patrick Ewing received a Diploma in Electro-Mechanical Technologies from the The Refrigeration School in Phoenix, AZ, and has over 6 years of experience in the HVAC industry.

Foster, Michael (Welding Specialist Instructor since 8/18/2025) - Michael has over 10 years of experience in the welding industry utilizing his skills in GTAW, GMAW, SMAW, FCAW, and SAW.

Gilkey, Tina (Electrical Applications Instructor since 6/22/2026) - Tina has over 20 years of experience in the electrical industry.

The information contained in this Faculty Addendum is true and correct to the best of my knowledge.

Mary Kelly, President & CEO

Guerra, Edward (Welding Specialist Instructor since 7/14/2025) - Edward received a Diploma in Electro-Mechanical Technologies, and an AOS in Mechanical Maintenance Engineering degree from The Refrigeration School in Phoenix, AZ, and has over 5 years of experience in the HVAC industry.

Guy II, Rex (Welding Specialist Instructor since 4/27/2026) - Rex graduated from Vocational Training Institute and has over 5 years of experience in the welding industry.

Haynes, Raymond (Electrical Applications Instructor since 7/10/2017) - Mr. Haynes has over 26 years work experience as an electrician.

Hill, Albert (Welding Specialist Instructor since 11/30/2020) - Mr. Hill is a graduate of Job Corp Vocational Trade in Welding, he has over ten years of practical work experience in Welding showcasing his skills in SMAW, GNAW, FCAW, and GTAW

Hunt, George (Welding Specialist Instructor since 12/27/2023) - Mr. Hunt is a graduate at The Refrigeration School in Welding Technology with five years practical work experience as a Welder.

Jensen, Mario (Welding Specialist Instructor since 5/18/2020) - Mr. Jensen has an AOS Degree from High Tech Institute and has over 3 years of practical work experience as a welder.

Johnson III, James (Welding Specialist Instructor since 3/24/2025) - Mr. Johnson is a graduate of Arizona Automotive Institute Combination Welding. Mr. Johnson has over fifteen years of practical work experience

Keown, Alex (Refrigeration Technologies Instructor since 11/12/2024) - Mr. Kewon graduated from Bellingham Technical College earning a diploma in HVACR, he obtained 06A Electrical license, and 608 Universal Certification. Alex has over four years of practical work experience.

Kwakye, Joris (AOSMME Instructor since 10/31/2022) - Mr. Kwayke graduated from Morehouse College with a Bachelors of Science degree in Pure Mathematics, he has over ten years practical work experience as an Instructor.

Littlesinger, Shawn (Welding Specialist Instructor since 6/30/2025) - Mr. Littlesinger graduated from Tulsa Welding School in Welding and Fabrication. Additionally Shawn received a Certification in HVAC, he has over six years of practical work experience in Welding.

Lucio, Alan (Electrical Applications Instructor since 11/2/2015) - Mr. Lucio graduated from The Refrigeration School, he has over eight years of technical work experience.

Lynn, Maxim (Welding Specialist Instructor since 1/21/2025) - My. Lynn graduated from The Refrigeration School Welding Specialist Program, utilizing his knowledge in GTAW, SMAW, GMAW, and FCAW.

Mach, Geregory (AOSMME Instructor since 10/31/2022) - Mr. Mach graduated with a Masters Degree in Information Systems from Bellevue University. Additionally he has over ten years practical work experience as an Instructor/overseeing a team.

Mercier, Jeremy (Welding Specialist Instructor since 12/9/2024) - Mr. Mercier graduated from The Refrigeration School in Welding Program. Additionally he obtained his welding license and has four years of practical work experience.

Morrow, Tom (Electrical Applications Instructor since 11/26/2018) - Mr. Morrow graduated from ITT Technical Institute Electronics. Computer Engineering, he comes with over twenty years of practical work experience.

Mumaw, Colin (Welding Specialist Instructor since 1/5/2026) - Mr. Mumaw served in the United States Army and was discharged honorably. He graduated from RSI and has a little over four years of experience

Nash, Paul (Refrigeration Technologies Instructor since 11/12/2024) - Mr. Nash has over ten plus years of practical work experience in HVAC

Oliver, William (Electrical Applications Instructor since 6/5/2017) - Mr. Oliver graduated from Universal Technical Institute, he has over forty years of technical work experience in HVAC

Orduno, Miguel (Refrigeration Technologies Instructor since 10/5/2010) - Mr. Orduno graduated from The Refrigeration School Refrigeration-Air Conditioning- Heating Technologies. Mr. Orduno has twenty five years of practical work experience in HVAC.

Owens, Daniel (Refrigeration Technologies Instructor since 9/6/2022) - Mr. Owens graduated from The Refrigeration School Refrigeration/Electro-Mechanical Technologies Program. Additionally Mr. Owens owns his own company AZS Best Heating and Cooling. Dan has over ten years of practical work experience.

Petreska, Valentina (AOSMME Instructor since 3/6/2023) - Ms. Petreska graduated from Purdue University Calumet with a Masters of Science in Mechanical Engineering, additionally Ms. Petreska has over ten years of practical work experience as an Instructor/teacher.

Phillips, John (AOSMME Instructor since 5/22/2023) - Mr. Phillips graduated from Athens State University Masters in Education, he has over twenty plus years of practical work experience looking to utilize his skills/knowledge in HVAC.

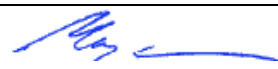

Phillips, Reginald (Refrigeration Technologies Instructor since 11/17/2025) - Mr. Phillips has over 12 years of HVAC experience.

Rodriguez, Roberto (Electrical Applications Instructor since 4/1/2026) - Mr. Rodriguez has over 5 years of electrician experience.

Sanders, Derik (Electrical Applications Instructor since 4/6/2026) - Mr. Sanders has about eight years of practical work experience

Savary, Mario (Welding Specialist Instructor since 8/5/2024) - Mr. Savary graduated from Arizona Automotive Institute Combination Welding program. Additionally Mr. Savary has over five years of practical work experience to utilize his skills in GMAW, TIG, FCAW, SMAW.

The information contained in this Faculty Addendum is true and correct to the best of my knowledge.

Mary Kelly, President & CEO

Temple, Theodore (Refrigeration Technologies Instructor since 11/29/2021) - Mr. Temple has an Associates of Applied Sciences degree in HVAC from Rankin Technical College in St. Louis, MO. Additionally, he has twenty years of practical work experience as a HVAC-R technician.

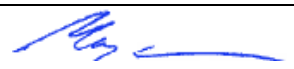

Templeton, Leslie (Welding Specialist Instructor since 11/29/2022) - Mr. Templeton has over 8 years of practical welding experience.

Tillman, Michael (AOSMME Instructor since 6/24/2019) - Mr. Tillman graduated from The Refrigeration School Associate of Applied Science Program. Additionally Mr. Tillman has over twenty years of practical work experience in HVAC

Virden, Gregory (Refrigeration Technologies Instructor since 2/26/2024) - Mr. Virden is a graduate of the HVAC program at RSI – Additionally, he has over 4 years as practical work experience as a HVAC technician.

Ward, Ryan (Welding Specialist Instructor since 8/19/2024) - Mr. Ward received his Welding Certificate additionally Mr. Ward has fifteen years of practical work experience in Welding.

The information contained in this Faculty Addendum is true and correct to the best of my knowledge.

Mary Kelly, President & CEO

Willia, Brian (AOSMME Instructor since 1/9/2017) - Mr. Willia has a Bachelor of Business Administration Degree and a Master of Arts Degree, both from the University of Iowa. He has over 15 years work experience in HVAC and over 7 years work experience in electrical and mechanical maintenance.
