

**Michael Lambert, Director of Training Welding (Since 2022)** – Mr. Lambert has over 10 years of practical work experience as a pipe welder utilizing MIG, TIG, SMAW, Flux-Core processes.

**Steven Key, Director of Training Electrical –(Since 2024)** – Mr. Key earned his Diploma in Non-Destructive Testing from Spartan College. Additionally, he has over 12 years of experience in the electrical and electrical-related fields.

**Aaron Baker Professional Welder Instructor (Since 2023)** – Mr. Baker is a graduate of Tulsa Welding School & Technology School and has over eleven years of practical experience in welding technologies.

**Chip Campbell, Electrical Instructor (Since 2024)** – Mr. Campbell attended the Climate Control Institute – 900 hour course in electrical training. Additionally, he has over 29 years of practical work experience as an electrician.

**Justin Caruthers, Professional Welder Instructor (Since 2023)** – Mr. Caruthers has over 10 years practical work experience as a welder using GTAW, SMAW and FLUX Core Processes:

**Brandon Chesebro, Professional Welder Instructor (Since 2023)** – Mr. Chesebro has a Certificate in Welding from OK Technical College. Additionally, he has over 8 years of practical work experience in welding using the GTAW, SMAW, SMAW and FCAW processes.

**Kelly Crittenden, Electrical Instructor (Since 2022)** – Mr. Crittenden has an Associate of Applied Sciences in Electrical Construction from Oklahoma State University. Additionally, he has over 10 years of practical work experience as an electrical technician.

**Garrett Ellis - Professional Welder Instructor (Since 2023)** – Mr. Ellis has a diploma from Tulsa Welding School and seven years of practical work experience as a welder using the GTAW, SMAW, SMAW and FCAW processes.

**Donald Gibbs, Senior Professional Welder Instructor (Since 2001)** – Mr. Gibbs has over 23 years of experience in the field, including Pipe welding involving SMAW and TIG processes. He is also a member of American Welding Society.

**Guarino, Joseph - Professional Welder Instructor (Since 2023)** – Mr. Guarino has a certificate in welding from Perth Amboy Technical School and over thirty years of practical work experience as a welder/pipefitter.

**Jenna Hayes, Adjunct On-Line English Instructor (Since 2022)** – Has a BA and a MA in English from the University of South Dakota. Ms. Hayes has over 5 years of practical work experience in her field.

**Luke Hill, Professional Welder Instructor (Since 2024)** - Mr. Hill is a TWS graduate with over five years' experience in Structural/ Pipe Fitter/ Welder § GTAW-Gas Tungsten Arc Welding (TIG or Heliarc) § SMAW-Shielded Metal Arc Welding (Stick) § GMAW-Gas Metal Arc Welding (MIG) § FCAW-Flux Core Arc Welding

**Nathan Hill – HVAC Instructor (Since 2023)** – Mr. Hill has a HVAC Certificate from Wichita Area Technical College. Additionally he has over 10 years practical work experience as a HCAN technician.

**Jesse Mackey, Professional Welder Instructor (Since 2015)** – Mr. Mackey is a graduate of the Tulsa Welding School Master Welder Program in Tulsa OK. He has six years of experience as a welder utilizing the following processes: GTAW, SMAW, GMAW & FCAW.

**Thomas Moore, Professional Welder Instructor (Since 2008)** – Mr. Moore is a TWS graduate with over 15 years' experience in Metal, Stick and Flux-Cored arc welding, including fabrication work. He is also a member of American Welding Society.

**Jamie Pearson, Senior Professional Welder Instructor (Since 1994)** – Mr. Pearson earned a BA degree from The University of Oklahoma. He is a certified welder in MIG, TIG, SMAW, Flux-Core, and Sub-arc, with experience in refineries and pressure vessels as well as heat.

**Alexander Peters, Professional Welder Instructor (Since 2023)** – Mr. Peters has a Welding Certificate from Kiamichi Technology Center. Additionally, he has over 9 years of practical welding experience as a Combo welder fabricating In carbon steel and stainless, SMAW and GTAW.

**Valentina Petreska, Adjunct Instructor (Applied Gen Ed Math) (Since 2023)** – Has a MS in Interdisciplinary Engineering and has been a college/university level instructor for over 20 years.

**Robert Pike, Electrical Instructor (Since 2024)** – Mr. Pike is a licensed journeyman electrician and has 20 years practical work experience as an electrician.

**John Randolph, Professional Welder Instructor (Since 2023)** – Mr. Randolph has over 10 years of welding experience utilizing Flux Core, MIG, and TIG of structural skids and pipe assemblies.

**Tony Reavis, Professional Welder Instructor (Since 2023)** – Mr. Reavis has over 15 years of practical work experience in welding/pipefitting.

**Philip Stanley, Professional Welder Instructor (Since 2023)** – Mr. Stanley has over nine years practical work experience as a welder/fabricator using MIG and TIG and flex core welding processes.

**Travis Tollette – Electrical Instructor (Since 2013)** – Mr. Tollette has a Certificate from Tulsa Technical School in Electricity. Additionally, he has over nine years of practical work experience as an electrician.

**Eric Tomlinson, AOSWT Technical Instructor (Since 2017)** – Mr. Tomlinson is an AWS Certified Welding Inspector with additional certifications through ASNT and has over 15 years of welding experience and quality control inspection.

**Matthew Vossen, Professional Welder Instructor (Since 2020)** – Mr. Vossen is a graduate of the Master Welder Program at Tulsa Welding School. Additionally, he has over 8 years of practical welding experience using GTAW, SMAW, FCAW and GMAW welding processes.

**Timothy Weatherford, Senior Professional Welder Instructor and Quality Management Techniques (AOSWT) (Since 2010)** – Mr. Weatherford is a TWS graduate with over 5 years of experience in the field, including Pipe Welder, TIG, carbon and stick. He is also a member of American Welding Society.

**David Wilkins, Senior Professional Welder Instructor (Since 1997)** – Mr. Wilkins is a TWS graduate with over 5 years of practical work experience in the field, including pipe welder, fitter, structural welder, and welding supervisor. Oklahoma certified welder and member of American Welding Society.

**Brian Willia, Adjunct On-Line Computer Applications and Decision-Making Instructor (Since 2017).** Mr. Willia has a Bachelor of Business Administration Degree and a Master of Arts Degree both from the University of Iowa.
