

**Chris Schuler – Regional Director of Training (Since 2017)** – Mr. Schuler has over 6 years of experience as a professional welder. He earned his Bachelor of Science (Business Management) from Western Governor’s University, as well as attended courses at Central Technical College in Drumright, OK and majored in Welding. He was a TWS Instructor/Lead Instructor from 2013 to 2017.

**DeAngelo Anderson, EA/EMT/RT Instructor (Since 2022)** – Mr. Anderson earned his Associate of Science (Pedorthic Technology) from Oklahoma State University, and an additional Associate of Science (Liberal Science) from Northlake College. Additionally, he has his Universal EPA Certification and over 12 years of experience in the HVAC/Electrical and Mechanical Maintenance fields.

**Joshua Allred, Professional Welder Instructor (Since 2021)** – Mr. Allred is a graduate of the Master Welder Program at Tulsa Welding School (Tulsa, OK). Additionally, he has over 10 years practical work experience as a welder using GTAW, SMAW and FLUX Core Processes: both shop and field work including shutdowns, turn arounds and new construction.

**Kelly Crittenden, Electrical Instructor (Since 2022)** – Mr. Crittenden has an Associate of Applied Sciences in Electrical Construction from Oklahoma State University. Additionally, he has over 10 years of practical work experience as an electrical technician.

**Garrett Ellis – Lead Professional Welder Instructor (since 2018)** – Mr. Ellis is a graduate of the Professional Welder Program at Tulsa Welding School. Additionally, he has 7 years of practical work experience as a professional welder.

**Monette Elizalde – Adjunct Math Instructor (Since 2022)** – Ms. Elizalde has a Ph.D. in Mathematics and a BA in Humanities from University of Incarnate Word and a MA in Education from Palo Alto College. Additionally, she has 17 years practical work experience as a Professor of Math both on-line and brick and mortar at Palo Alto College

**Donald Gibbs, Senior Professional Welder Instructor (Since 2001)** – Mr. Gibbs has over 23 years of experience in the field, including Pipe welding involving SMAW and TIG processes. He is also a member of American Welding Society.

**Jenna Hayes, Adjunct On-Line English Instructor (Since 2022)** – Ms. Hayes has a BA and a MA in English from the University of South Dakota. Ms. Hayes has over 5 years of practical work experience in her field.

**Zoe Hocker, Lead Professional Welder Instructor (Since 2011)** – Mr. Hocker is a graduate of Northeastern Oklahoma Technology Center studying Welding Technology and is a combination pipe welder with 6 years of field experience and 2 years of shop experience, including refineries and other industrial settings. He is also a member of American Welding Society.

**Steven Key, Electrical Instructor (Since 2022)** – Mr. Key earned his Diploma in Non-Destructive Testing from Spartan College. Additionally, he has over 12 years of experience in the electrical and electrical-related fields.

**Joris Kwakye, Adjunct Math Instructor (Since 2022)** – Mr. Kwakye has B.S. in Mathematics from Moorhouse College and a master’s degree in Mathematics from Clark Atlanta University. Additionally, he has been an on-line and brick and mortar math instructor for 20 years.

**Michael Lambert, Lead Professional Welder Instructor (Since 2022)** – Mr. Lambert has over 10 years of practical work experience as a pipe welder utilizing MIG, TIG, SMAW, Flux-Core processes.

**Mach, MCSE, Gregory Adjunct On-Line Computer Applications & Decision-Making Instructor (Since 2022)** – Mr. Mach has a BA and a MA in Information Systems and from Bellevue University. Additionally, he has over 20 years combined practical work experience and teaching in Information Technology

**Jesse Mackey, Professional Welder Instructor (Since 2015)** – Mr. Mackey is a graduate of the Tulsa Welding School Master Welder Program in Tulsa OK. He has six years of experience as a welder utilizing the following processes: GTAW, SMAW, GMAW & FCAW.

**Thomas Moore, Professional Welder Instructor (Since 2008)** – Mr. Moore is a TWS graduate with over 15 years’ experience in Metal, Stick and Flux-Cored arc welding, including fabrication work. He is also a member of American Welding Society.

**Jamie Pearson, Senior Professional Welder Instructor (Since 1994)** – Mr. Pearson earned a BA degree from The University of Oklahoma. He is a certified welder in MIG, TIG, SMAW, Flux-Core, and Sub-arc, with experience in refineries and pressure vessels as well as heat

**Eric Tomlinson, AOSWT Technical Instructor (Since 2017)** – Mr. Tomlinson is an AWS Certified Welding Inspector with additional certifications through ASNT and has over 15 years of welding experience and quality control inspection.

**Matthew Vossen, Professional Welder Instructor (Since 2020)** – Mr. Vossen is a graduate of the Master Welder Program at Tulsa Welding School. Additionally, he has over 8 years of practical welding experience using GTAW, SMAW, FCAW and GMAW welding processes.

**Timothy Weatherford, Senior Professional Welder Instructor and Quality Management Techniques (AOSWT) (Since 2010)** – Mr. Weatherford is a TWS graduate with over 5 years of experience in the field, including Pipe Welder, TIG, carbon and stick. He is also a member of American Welding Society.

**David Wilkins, Senior Professional Welder Instructor (Since 1997)** – Mr. Wilkins is a TWS graduate with over 5 years of practical work experience in the field, including pipe welder, fitter, structural welder, and welding supervisor. Oklahoma certified welder and member of American Welding Society.

**Brian Willia, Adjunct On-Line Computer Applications and Decision-Making Instructor (Since 2017).** Mr. Willia has a Bachelor of Business Administration Degree and a Masters of Arts Degree both from the University of Iowa.
